Date: August 26, 1998

To: Ecosystem Roundtable Members and Liaisons

From: Cindy Darling
Restoration Coordinator

Subject: August 31 Roundtable Meeting

Attached is the agenda for the August 31 meeting along with materials related to the May 1998 Proposal Solicitation and the recommended projects. A proposal for funding from the Water Acquisition program for the Madera Ranch project is also included in this package. This proposal was discussed by the Integration Panel and a summary of their comments will be available at the August 31 meeting.

Previously, you received copies of the revised priorities for FY 99 and the draft write-up on the Coordinated Environmental Water Acquisition. Only one member commented on the revised FY 99 priorities and those changes have been incorporated and the revised draft is included in this package. To date, I have not received any comments on the water acquisition write-up other than the verbal comments at the last Roundtable meeting.

Materials for the remaining items will be available at the Roundtable meeting. If you have any questions, please contact me at (916) 653-5950.
